

Data Scientist, footbao

Location: São Paulo

We are looking for a talented and passionate Data Scientist to join our dynamic team. If you are driven by challenges, have a passion for extracting valuable insights from data, and want to contribute to the growth of our company through the application of advanced data analysis techniques, this could be the perfect opportunity for you.

Responsibilities:

- Collect, clean, and process large datasets for analysis.
- Develop predictive models and advanced algorithms to solve business problems.
- Conduct exploratory data analyses to identify trends, patterns, and opportunities.
- Collaborate with cross-functional teams to understand requirements and provide actionable insights.
- Develop and implement machine learning and artificial intelligence solutions.
- Evaluate the effectiveness of implemented models and adjust as necessary.
- Communicate complex data analysis results in a clear and understandable manner.
- Stay updated with the latest trends and advances in the field of data science.

Requirements:

- Proven experience as a Data Scientist or in a similar position.
- Deep knowledge of relevant programming languages (Python, R, etc.).
- Experience with data science frameworks and libraries (e.g., TensorFlow, PyTorch, scikit-learn).
- Ability to work with large datasets and perform complex statistical analyses.
- Familiarity with machine learning techniques, data mining, and predictive analysis.
- Excellent communication skills to translate technical results into understandable business insights.
- Academic background in Data Science, Statistics, Applied Mathematics, or a related field.

Additional Qualifications:

- Experience in implementing machine learning models in production environments.
- Knowledge of data visualization tools (e.g., Tableau, Power BI).
- Relevant publications or contributions to the data science community.
- Experience in startups or fast-paced environments.
- English communication skills will be considered an asset.

We Offer:

- Collaborative and dynamic work environment.
- Opportunities for continuous learning and professional development.
- Active participation in challenging and innovative projects.
- Competitive compensation and comprehensive benefits.
- Paid time off.
- Flexible work hours and remote work.

If you are a passionate Data Scientist and ready to be part of a dynamic team, please send your resume and cover letter to mrayol@footbao.world.

We look forward to receiving applications from talented professionals committed to excellence in data science.
