

Senior Full Stack Developer, footbao

Location: São Paulo

We are in search of a highly qualified Senior Full Stack Developer to join our development team. The ideal candidate will have comprehensive experience in all phases of software development, from conception to implementation and maintenance. If you are passionate about technology, have a solid track record in software development, and want to work on challenging and innovative projects, this could be the ideal opportunity for you.

Responsibilities:

- Develop scalable and efficient web and mobile applications, ensuring end-to-end functionality.
- Collaborate with cross-functional teams to understand requirements and translate them into technical solutions.
- Design, develop, and maintain software systems using best coding practices.
- Actively participate in system architecture and design, proposing improvements and optimizations.
- Identify and resolve performance, security, and scalability issues.
- Collaborate in the entire development lifecycle, from conception to implementation and continuous maintenance.
- Stay updated with the latest trends and technologies in Full Stack development.
- Proficient in Node.JS and React Native.
- Knowledge of Cloud environment.

Requirements:

- Proven experience as a Senior Full Stack Developer.
- Deep knowledge of front-end and back-end programming languages (e.g., JavaScript, Node.js).
- Experience with front-end and back-end frameworks (e.g., React).
- Familiarity with relational and non-relational databases.
- Ability to design and create efficient APIs.
- Experience in system and service integration.
- Solid understanding of security practices in software development.
- Excellent problem-solving and communication skills.
- Ability to lead and guide junior developers when necessary.
- Teamwork, self-motivation, and a drive for significant challenges.

Additional Qualifications:

- Bachelor's degree in Computer Science, Software Engineering, or a related field.
- Relevant certifications will be considered an advantage.
- Experience in startups or fast-paced environments.
- Proficiency in English will be considered a plus.

We Offer:

- Collaborative and dynamic work environment.
- Opportunities for continuous learning and professional development.
- Active participation in challenging and innovative projects.
